Catalogue
of
A Collection
of
Architectural and other Casts,
late the property
of
Sir Thomas Lawrence deceased.

These Casts were taken principally from the beautiful Marble Specimens, at Rome, and are facsimiles of the Ornaments of the most celebrated Buildings, now remaining in the Fora, &c. &c. as well as from those Fragments discovered at various times, and placed in the Museum of the Capitol and Vatican, together with parts of Candelabra, Altars, Pedestals, Cippi, &c. &c. in those and other Private Collections. —
